

## Dalgarno Food Bank

The Dalgarno Food Bank is reopening next Thursday, 21 May.

The Dalgarno food bank is a weekly food distribution service. The Food Bank will be open every Thursday and is for those in the local community who may be struggling to buy food.

Please arrive to register from 10am. You will then be given a ticket and a timeslot and asked to return to collect your food bag between 2-3pm.

In order to use the service you will need to register. This can be done in person on the day. We will give users a list of food items to choose from—please be aware that not all may be available.
